# Refined Environment

## Designed to bring you unparalleled refinement.

Fiat Stilo 5-door is a true comfort zone. High mounted seats make access easy, while numerous slide and fold seat configurations boost passenger space or luggage capacity. For the feeling of ultimate luxury, go for the two-tone anthracite/light grey leather upholstery.

6 speed manual transmission (1.4 16v engine only).

Front, central ceiling mounted document pocket.

Sky Window, the electrically operated sunroof that reveals almost a square metre of sky at the touch of a button, in just 10 seconds.

## Uncompromising performance, power and fuel consumption.

Fiat Stilo 5-door is powered by a range of petrol and diesel engines that are designed without compromise. Reliable and powerful, they also have minimal environmental impact. Petrol engines start with the outstanding new 1.4 16v 95 bhp which delivers sparkling performance and excellent economy. Or you can choose the outstanding 1.6 16v. The tough, smooth 1.9 JTD Common Rail diesel, available with 80 bhp or 115 bhp, blends economy, refinement and ultra-low emissions.

The **ABS with EBD** prevents the wheels from locking during braking. Together with the **HBA** system, it adds power to emergency braking.

As a function of the course selected by the driver, the **ESP** prevents swerving on bends.

The **ASR** (traction control) ensures perfect drive wheel grip, even in difficult conditions.

## Safety first.

Fiat Stilo 5-door boasts class-topping equipment in terms of active and passive safety. High impact absorbent structure, up to eight airbags, three-point seat belts, plus sophisticated dynamic control devices such as ABS with EBD, Brake Assist and ESP for stability control.
