**Electric range; Certified WLTP (KM) combined cycle: 406KM to 604KM. These figures were obtained after the battery had been fully charged. The Fiat 600e is a battery electric vehicle requiring mains electricity for charging. Figures shown are for comparability purposes and the values are only indicated for the purpose of comparing the vehicle data. The electricity consumption homologation values may not be representative of the effective electricity consumption values, which depend on many factors related, for example, to driving style, route, weather and road conditions and to vehicle condition, use and equipment. The electricity consumption values specified in this document refer to the versions of the vehicle with the highest and lowest values. *Estimated CO2 and Road Tax for Hybrid – To Be Confirmed. Dealer and delivery related charges extra. Optional paint extra. All information subject to change without notice. All data copyright of Fiat Ireland Limited, a subsidiary of the Gowan Group Limited.

Upgraded Roominess

360 litres of boot space means you can pack up everything for any journey.

Upgraded Roominess

In addition to the 360 litres boot space there is also an impressive 15 litres of cabin storage which will mean you can keep all your essentials with you, knowing they are securely stored at an arm's reach.

LED Lights

With LED front fog lamps, reflector headlamps, Front Turn Indicator/Position Lights and LED rear taillamps

Infotainment

Enjoy your favourite songs, connect with your phone and make or receive calls from your best friends on the 10.25" display with customisable graphics. Choose the colour and graphic you want to set the tone for your journey!

(RED) Version Kit

(RED) version kit comes with a variety of internal and external styling. Show your passion for (RED) with logos located on the front and side of your New 600.

Italian Spa Treatment

All the seats of New 600 are embroidered with the latest evolution of the Fiat monogram. La Prima is equipped with premium synthetic leather upholstery complete with 8 way power adjust on drivers seat including power lumbar adjustment, seat heating and massage function.

360° Protection

Get help with changing lanes, parking and tricky manoeuvres. With our 360° sensors you will have multiple inputs from several directions for unprecedented visibility, helping you to avoid any kind of collision.

Handsfree Tailgate

An innovation never before seen on a Fiat. Now you can open and close the boot of your New 600 with a simple movement of your foot.

180° Rearview camera

New Fiat 600 is equipped with a rear parking camera, with a 180° view that will help you to perform even the most complex manoeuvres.

Blind Spot Detection

The system will warn you if another vehicle is close to your blind spot zones.

Navigation Upgraded

In addition to your Infotainment system on the (RED), get anywhere at ease with the Uconnect™ system with NAV, 6-speaker audio system, and wireless mobile charging. All easily controlled via the 10.25" touchscreen.
