# Fiat 500: Pop - Key Standard Equipment

## SAFETY

7 Airbags (Driver, Passenger, Window, Front Side, Driver's Knee)

LED Daytime Running Lights

Speed Limiter

Electronic Stability Control (ESC) inc ASR, MSR, ABS + EBD

Hill Hold Control

Tyre Pressure Monitoring System (TPMS)

Fix & Go Puncture Repair Kit

Remote Central Locking

Automatic Door Locking

Dualdrive Power Steering

Height Adjustable Steering Wheel

## FUNCTIONAL

Air Conditioning (Manual)

Foam Steering Wheel w/ Audio Controls

Electric Front Windows

Front Seats w/ Memory Function

Start & Stop

DAB Radio w/ USB

## EXTERIOR

14" Steel Wheels w/ Covers

Body Coloured Bumpers

Black Electrically Adjustable Exterior Mirrors

Chrome Door Handles

## INTERIOR

Body Coloured Dashboard

2 Rear Head Restraints

# Fiat 500: Lounge

Additional / replacement equipment over the Pop trim is as follows:

## SAFETY

Cruise Control

Height Adjustable Driver's Seat

Fog Lights

Rear Parking Sensors

Locking Wheel Nuts

## FUNCTIONAL

7" HD Touchscreen Radio w/ Bluetooth, USB & DAB

Apple CarPlay / Android Auto Connectivity

Uconnect Live Services

Fixed Glass Roof

2 Rear Speakers

## EXTERIOR

15" Alloy Wheels

Body Coloured Electrically Adjustable Exterior Mirrors

## INTERIOR

Techno Leather Steering Wheel

50/50 Split Folding Rear Seat

Seatback Pockets

# Fiat 500: Star

Additional / replacement equipment over the Lounge trim is as follows:

## FUNCTIONAL

*Automatic Climate Control*

*7" Colour TFT Instrument Cluster*

*3D Navigation*

## EXTERIOR

*16" Alloy Wheels*

*Chrome Kit (Bumper Insert & Whisker, Grill Inserts, Window Beltline)*

## INTERIOR

*Matt Bordeaux or Matt White Dashboard*

The specification (A) indicates the value of CO<sub>2</sub> and fuel consumption determined on the basis of the NEDC cycle as per EU Regulation 692/2008.

The specification (B) indicates the value of CO<sub>2</sub> and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153.

The specification (C) indicates the value of CO<sub>2</sub> and fuel consumption determined on the basis of the new WLTP test procedure as per Regulation (EU) 2017/1347. The CO<sub>2</sub> and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO<sub>2</sub> and fuel consumption may not reflect the actual values of CO<sub>2</sub> and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle.

The indicated value of CO<sub>2</sub> and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent

configuration depending on equipment selected and/or size of tires selected.

The indicated values of CO<sub>2</sub> and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network.

In any case, the official values of CO<sub>2</sub> and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle. In cases where the values of CO<sub>2</sub> and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.

Whilst every reasonable precaution is taken in the preparation of this Product Guide, this document is for the buyers' general guidance only. Images contained in this document may contain optional extras over and above the standard features, therefore images are for illustrative purposes only.

Fiat Chrysler Automobiles Ireland DAC reserves the right to make changes at any time, without notice, to prices, colours, materials, equipment, specifications and models and also to discontinue models.
