* Recommended												

Fuel consumption and CO2 figures are obtained for comparative purposes in accordance with EC directives/regulations and may not be representative of real-life driving conditions. Factors such as driving style, weather and road conditions may also have a significant effect on fuel consumption.(B) Please see disclaimer on final page

# Fiat Tipo: Easy - Key Standard Equipment

## SAFETY

6 airbags (Driver, Passenger, Window, Front Side)

Daytime Running Lights

Cruise Control

Electronic Stability Control (ESC) inc ABS

Tyre Pressure Monitoring System (TPMS)

Full Size Spare Wheel

Remote Central Locking

Fog Lights

Safety Pack (Autonomous Emergency Brake & Speed Limiter)

Rear Parking Sensors

## FUNCTIONAL

Air Conditioning (Manual)

Leather Steering Wheel w/ Audio Controls

Front & Rear Electric Windows

3.5" Monochrome TFT Instrument Cluster

Start & Stop

60/40 Split Fold Rear Seats

5" Touchscreen DAB Radio w/ Bluetooth & USB

Auto Opening Boot (Key Fob Activated)

3 Rear Headrests

## EXTERIOR

16" Alloy Wheels

Body Coloured Bumpers

Body Coloured Electrically Adjustable Exterior Mirrors

Chromed Door Handles, Grill Surround and Window Beltline

## INTERIOR

Height Adjustable Drivers Seat

Seatback Pockets

Front Seat Central Armrest

Front Floor Mats

# Fiat Tipo: Lounge

Additional / replacement equipment over the Easy trim is as follows:

## ***SAFETY***

# Fiat Tipo Saloon : Disclaimer

The specification (A) indicates the value of CO2 and fuel consumption determined on the basis of the NEDC cycle as per EU Regulation 692/2008.

The specification (B) indicates the value of CO2 and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153.

The specification (C) indicates the value of CO2 and fuel consumption determined on the basis of the new WLTP test procedure as per Regulation (EU) 2017/1347.

The CO2 and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO2 and fuel consumption may not reflect the actual values of CO2 and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle.

The indicated value of CO2 and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent

configuration depending on equipment selected and/or size of tires selected.

The indicated values of CO2 and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network.

In any case, the official values of CO2 and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle.

In cases where the values of CO2 and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.

Whilst every reasonable precaution is taken in the preparation of this Product Guide, this document is for the buyers' general guidance only. Images contained in this document may contain optional extras over and above the standard features, therefore images are for illustrative purposes only.

Fiat Chrysler Automobiles Ireland DAC reserves the right to make changes at any time, without notice, to prices, colours, materials, equipment, specifications and models and also to discontinue models.
