*Fuel consumption and CO₂ figures are determined on the basis of the WLTP test procedure as per Regulation (EU) 2017/1347. Only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Additional equipment and or options may affect fuel consumption and the CO₂ emissions produced. For further information, please visit fiat.ie or contact your preferred Fiat dealer.
