Get a **FREE\*** Home Charge Point for your ALL New Fiat 500

Plus **save 20%** on green electricity with Energia

# Switch to **green** electricity and **SAVE 20%**

Energia, supplier of green electricity are delighted to partner with Fiat on this fantastic home charge point offer.

At Energia, we provide green electricity to over 280,000 homes and businesses across Ireland. Energia has been operating in Ireland since 1999 and since then we've been expanding our company and team to become a leading Irish energy provider.

We offer Smart Home solutions to improve the security, energy efficiency and comfort of homes across the country. We're always on the lookout for new and innovative ways to make the world a greener place.

1. Once you've purchased your new ALL New Fiat 500, you will receive a call from Energia to switch your electricity account within two working days.
2. Once your account has been switched, we'll get in touch and arrange installation of your home charge point. This is a quick and easy process with minimal disruption.

**NB:** Make sure to check your eligibility for the SEAI grant towards the purchase and installation of your home charge point. You will need to pay €600 upfront for standard installation. If eligible, you can claim the €600 grant from the SEAI which will cover the cost of the standard charger installation. Additional charges may apply for non-standard installations.

The SEAI scheme launched in January 2018 and provides a grant up to the value of €600 towards the purchase and installation of a home charger unit. The applicant must be the owner of an eligible new or second-hand electric vehicle. For full details see [seai.ie](https://seai.ie)

**Please do not proceed with any charger installation works before the start date on your SEAI Letter of Offer as you may not receive the full grant support available.**
